Phagle mange mri musori

Phagle mange mri musori,
de, bial miri piraňori.
De, bar la mange te phaglehas,
de ča la mange te dinehas.

Zlomili mi moju rúčku

Zlomili mi moju rúčku,
kvôli mojej milej.
Nedbám, nech mi ju aj zlomia,
len keď mi ju dajú.

They broke my handie

They broke my handie,
because of my darling.
I don´t care, let them break it though,
only if they give me her hand.
