Lungo kalo bal

Lungo kalo bal,
de šukar adi čhaj,
kerelas pes raňi
de, čačes hiňi čori.

Lungo lakro bal,
de šukar sas e čhaj.
O lovore la nane,
O baripen la marel.

Mire phrales oj kamel,
Pal o čhavo šukar oj avel.
Ov hino čhavo romano,
Ov hino čhavo lačho.

Dlhé čierne vlasy

Dlhé čierne vlasy,
aká je len krásna tá dievčina.
Bohatou sa robí,
a pritom chudobná je.

Dlhé čierne vlasy,
aká je len krásna tá dievčina.
Peniažky nemá,
len pýcha ňou zmieta.

Vraj môjho brata miluje,
po tom peknom chlapcovi túži.
On je chlapec rómsky,
On je chlapec dobrý.

Long black hair

Long black hair,
how gorgeous is that girl.
She pretends, she´s rich,
but in real she´s poor.

Long black hair,
how gorgeous is that girl.
She has no money,
but she´s very proud.

She says, she loves my brother,
for that handsome boy she yearn.
He is Romani boy,
He is a good boy.
